QUITE SIMPLY PROPERTY SOLUTIONS is a local property improvement and maintenance company, with a wealth of industry experience, established to offer competitive pricing whilst delivering excellent quality of service.

Our Modern business approach means that we are more dynamic and flexible than other company's and at the same time gives our customers piece of mind by offering the following key benefits: -

- *Better value for money – without compromising quality of service.*
- *Project Pricing Policy – Our quoted price will not change unless the specification is changed by the customer.*
- *Inclusive Project Management – Removing the demanding day to day pressures of managing improvement or maintenance projects.*

All our team are qualified or experienced tradesmen and have been vetted thoroughly by ourselves, often being through recommendation and, where appropriate we can provide criminal records bureau (CRB) vetted trades people to ensure that both the legislative and requirement needs of our customers are met.
