Last year's Great Get Together was on Station Square. This year it'll be on the school field and at Love's Farm House.

## Great Get Together Community Fun Day

**Saturday 23 June**

**Round House school from 2pm,  
Love's Farm House from 4pm**

Please come and be a part of the Love's Farm Great Get Together Community Fun Day on Saturday 23 June between 2 and 4pm on the field of the Round House school. The afternoon will be packed full of activities for grown ups and children, with stalls and demonstrations by some

of our community groups including Scouts and Guides, Hartbeeps, Baby Sensory, Little Loves, a Bhangra dance group, Katy North's dance classes, Messy Church and more besides. The St Neots Library will be present with a display of local history as well as the Woodcraft Folk and Rotary Club.

There will be bouncy castles, water zorbs, tennis tasters, petanque, ice cream, cake from the WI, face paints,

raffles and tombolas. Love's Farm Runners will be hosting an advice, exercise and information hub and then lead a mile-long Jog, Jeff, Walk, Shuffle, Scoot ending at Love's Farm House where live music will be playing and a barbecue cooking. The day will coincide with other events running across the country as part of the Great Get Together initiative in memory of Jo Cox MP.

Please come and help make the Love's Farm community day a success – bring along your neighbours and friends, host a stall on behalf of your street or plan to enjoy the barbecue together. Please get in touch with Helene ([community.chaplain@yahoo.co.uk](mailto:community.chaplain@yahoo.co.uk)) or your Street Rep for more information (or if you'd like to help) – and do put 23 June in your diary!

The Zorbs were a hit with children last year at the Round House school's PTA summer fair.

## Meet Your Councillors

On Thursday 3 May 2018 Love's Farm elected councillors for Huntingdon District and St Neots Town Councils. Our new councillors represent Love's Farm along with the forthcoming Wintringham and Love's Farm East developments. We have invited them to introduce themselves below.

### David Wells

Huntingdonshire District Council (Conservative)

[davidjwells@hotmail.co.uk](mailto:davidjwells@hotmail.co.uk)

A big Thank You for your support at the recent election.

My wife Lynn and I have lived on Love's Farm since 2010, both our children were educated in Cambridgeshire state schools. I am passionate that local councils deliver for local people. I am Treasurer of LFCA and previously served as your local Town Councillor since 2012, including lobbying for parking restrictions. I am a governor of the Round House and St Mary's schools in St Neots and attend St Mary's parish church. I work part time in financial management.

My priorities working with LFCA, my fellow district councillor, Nik Johnson and our Town Councillors are:

1. Continue to fight for Love's Farm – including monthly residents' surgeries at Loves' Farm House, ensuring delivery of parking restrictions that balance safety and access with the parking needs of residents and consideration of the Northern Access.
2. Work for quality expansion of Wintringham Park and LF East, ensuring delivery of new schools and adequate, safe, controlled crossings on Cambridge Road.
3. Actively lobby for A428 work to start by 2020 as promised. As a steering group member, ensure the new St Neots Master Plan work delivers new facilities, jobs and skills to St Neots.

## Nik Johnson

Huntingdonshire District Council (Labour)

[nikmagpiejohnson@btinternet.com](mailto:nikmagpiejohnson@btinternet.com)

I just wanted to say a big “thank you” to all of you who voted for and supported me.

I have been an NHS children’s doctor at Hinchingsbrooke Hospital for the last 12 years and whilst working at the heart of the community, I have met many children and their families who are Love’s Farm residents.

It has been a real joy to re-establish contact with many of you. I very much intend to get to know as many of you as possible whilst out and about. I was really enthused by the inspirational feeling of community spirit and pride people have in Love’s Farm.

Working with you all I want to combine the skills I have learned in my professional life to work with housing, education and social care agencies as well as the district and county councils to best represent the whole community of Love’s Farm.

I have a vision of an integrated, thriving, happy community, which by building on the energy and vision of local resident groups can deliver a healthy, active community leading the way not only in Cambridgeshire but also nationally.

I want to play my part in taking Love’s Farm to a better future as the specific new challenges of Wintringham Park and “Love’s Farm 2” begin to unfold.

My door is always open.

## Caroline Gregson

St Neots Town Council (Independent)

[caroline.gregson@ourlovesfarm.co.uk](mailto:caroline.gregson@ourlovesfarm.co.uk)

I moved to Love’s Farm with my husband and daughter (who attends the Round House) in 2013 from Blackheath in London and have continued to work as an energy and infrastructure lawyer in a large law firm, now commuting 2-3 days a week. My main hobby is playing tennis and I participate in the local leagues for St Neots Tennis Club where I have met new friends and learnt much about the surrounding area through the away matches.

I have been involved in a number of community initiatives: I was a founding trustee of Love’s Farm House and am currently a trustee of St Neots Aquatic and Leisure CIO, which is the charity which owns the old swimming pool land on which Eat N Bowl is located. We hope to facilitate further development on the site including a new indoor pool and splash park. I have also been a street rep and now co-ordinate Neighbourhood Watch for my street.

I hope that through being a town councillor, I will be able to give a voice to some under-represented groups, particularly women, and the new residents that will be moving into St Neots East. I’m particularly interested in local infrastructure and hope to use my legal skills in improving the procedures and efficiency of the council.

## Colin Holmes

St Neots Town Council  
(Independent)

[colin.holmes@ourlovesfarm.co.uk](mailto:colin.holmes@ourlovesfarm.co.uk)

I have lived on Love's Farm for four years with my wife and two children, who attend the Round House School. I've got to know many of the local faces and characters through the school, Love's Farm House, or Sunday evening football. I believe the vibrant community on Love's Farm is unique and I am proud to have the opportunity to represent it. I feel it's vital for Love's Farm to have a loud voice and play a key role in the future growth and development of St Neots. I hope my experience in leadership training and organisation development can influence positive change in the town.

## Stephen Ferguson

St Neots Town Council  
(Independent)

[stephen.ferguson@ourlovesfarm.co.uk](mailto:stephen.ferguson@ourlovesfarm.co.uk)

I have lived on Love's Farm for four years, after moving here from North London. Before arriving I scoured most of southern England in order to find the best place to live, and since moving here, I remain convinced that choosing St Neots was the correct decision. I was previously the Chairman of Governors of a SEN school in North London, leading them to their first Outstanding Ofsted, and raising over £250,000 for the school charity. I am an Aero Engineer and currently

employed as a Marketing Director for an engineering software division of Siemens.

My most significant contribution to St Neots is as the founding Event Director of the new parkrun in Pocket Park, which is tentatively due to start in June and will offer a free communal running and walking experience to 300+ residents every Saturday morning. Pocket parkrun will have a significant impact on the health and wellbeing of St Neots as a whole, and will instantly become one of St Neots largest and most active communities.

I am passionate about St Neots, and especially representing "the new St Neots" of Love's Farm and Wintringham. I am looking forward to serving our community as one of your Town Councillors.

## Ben Pitt

St Neots Town Council  
(Independent)

[ben.pitt@ourlovesfarm.co.uk](mailto:ben.pitt@ourlovesfarm.co.uk)

I moved to Love's Farm in 2012 with my wife Kirsty and our two children. Since 2014 I have led a team of local residents to manage our community centre, Love's Farm House. I'm a parent governor at the Round House school, and in 2017 became the chair of governors. I'm involved in St Neots Film Club, which runs monthly film screenings, film production workshops for children and the St Neots Film Festival. I've worked as a freelance journalist for over 20 years, writing about creative arts production, and am a keen amateur musician, photographer and filmmaker. Since 2017 I've worked for a

local charity in community development.

I moved to Love's Farm for practical reasons but I've come to really love living here. The people are friendly, fun and really look out for each other. I'm looking forward to using my time as your Town Councillor to encourage integration with Love's Farm and the rest of St Neots, support the development of a thriving town centre and help to provide opportunities for quality housing, work, leisure, culture and community support – particularly for the people who often miss out on these opportunities.

### Councillor Surgeries

Meet your Town, District and County councillors at the monthly surgeries held at Love's Farm House, 10-11am on the first Saturday of the month.

## Love's Farm House Garden in Full Bloom

If you've never ventured out to the garden at Love's Farm House, now is a great time to check it out. Lovingly designed and maintained by our volunteers, it includes

a shaded patio seating area, raised beds and borders that are bursting with colour and a willow tepee for children to chill out in. The garden gets regular use from groups such as Little Loves (Thursdays 9:30-11am), and on sunny Saturday mornings you can order breakfast from the café and enjoy it outside.

The garden is included when you hire Love's Farm House for private parties, too. Turn to page 10 for information on prices and how to book.

We're always happy to have more volunteers to help maintain the garden. If you could spare an hour or two from time to time, please get in touch with Maria at [mrrsrss@gmail.com](mailto:mrrsrss@gmail.com).

## Update: Love's Farm Parking Restrictions

### Wednesday 13 June, 2-9pm Love's Farm House

The County Highways officers are currently drafting detailed proposals for parking restrictions. Each resident of Love's Farm will receive a consultation letter with a link to the proposals from 4 June onwards.

There will also be an exhibition and opportunity to ask questions; please come along to Love's Farm House on Wednesday 13 June any time between 2pm and 9pm to find out more.

Responses to the consultation will be reviewed during July. If the majority of residents are in favour of the proposals, the formal Traffic Restriction Order (TRO)

will follow, with planned implementation of the restrictions during the autumn.

These restrictions are a key opportunity to improve the environment of Love's Farm, but inevitably they will need to be a compromise between improving safety and traffic flow versus some restrictions on residents' ability to park. Please use this opportunity to make your voice heard.

*David Wells*

## Messy Church

**Fri 8 June, 3:20pm**  
**Love's Farm House**

Messy Church will run on Friday 8 June, straight after school from 3.20 to 5.15pm – and then again on Friday 6 July, same time, before taking a break for the summer holidays. Each session includes some fun and activities for grown ups and children to do together before some all-together time to reflect on the theme of the day, sing and pray before hot dogs, salad and cake!

## Schools Update

Love's Farm Community Association (LFCA) has been working closely with the Round House Capacity Campaign to ensure that residents' voices are heard when it comes to school provision for our children.

### Primary Schools

The first half of the April LFCA committee meeting focused on primary schools, and in particular the opening of Wintringham

Primary Academy. Representatives from the school and Cambridgeshire County Council (CCC) were there to answer residents' questions.

A Q&A document has been put together to answer some of the most commonly asked questions – please visit [www.ourlovesfarm.co.uk/schoolFAQ](http://www.ourlovesfarm.co.uk/schoolFAQ)

### Secondary Schools

During the meeting concerns were also raised about capacity in St Neots for secondary education, given the creation of 5,300 homes and nine forms of primary school classes across the Eastern Expansion.

St Neots' secondary schools are currently under capacity, but based on current projections CCC anticipate that they will be full by the mid-2020s. Meanwhile, the Department for Education (DfE) has given the go-ahead for a new Free School for St Neots, although these plans are currently on hold. CCC is waiting to see how this develops before committing to additional secondary school places in the town.

### Cambridge Road Crossing

Cambridge Road crossings were included in the Wintringham Park planning application, with the current proposal being one toucan crossing between Dramsell Rise roundabout and the train line. LFCA has repeatedly raised concerns that this isn't adequate or in the right location to ensure safe crossing across the road, particularly for Love's Farm children attending Wintringham school.

A meeting took place on 18 May between LFCA, the Round House and Wintringham

school staff, councillors and relevant officers from the Council to discuss the issue. There is no breakthrough yet, but LFCA will continue to campaign for a safe crossing for our children.

# Filmmakers Wanted

**Cineworld St Neots, Love's Farm House**

**Wed 7 to Fri 9 November 2018**

Organisers of St Neots Film Festival are delighted to have permission to use Cineworld St Neots as their host venue for the third year running.

The festival will run over two evenings at Cineworld on Wednesday 7 and Thursday 8 November 2018. A further screening of selected films will take place on Friday 9 November at Love's Farm House, with the opportunity to discuss the films and the filmmaking process with the directors and producers.

Getting the go-ahead from Cineworld has given the festival organisers a big boost. Festival Director, Melina La Firenze said, "We are so happy to be working with Cineworld again. Having the cinema as a venue will make all the difference to our fast-growing festival. More filmmakers will be attracted to the possibility of having their films seen on the big screen in a high quality venue,

of art exhibitions by local artists. Our next exhibitor is Marilyn Wood.

During her time spent studying fashion design at Newcastle upon Tyne College of Art and Industrial Design, Marilyn entered the prestigious Nation Wide bursary competition held by the Royal Academy of Art. In 1981 she won this competition in the Fashion Design category. The prize money allowed her to travel to Paris and study at the Jean Darroux Academy for six weeks to learn the art of couture making by directly modelling fabric onto the tailor's dummy to create garments. Showing at Love's Farm House Gallery is the body of work

she submitted to the Royal Academy.

Since graduating, most of Marilyn's working life has been in the fashion industry, working variously as a pattern cutter, production manager and design studio manager. She has run a theatre wardrobe department and worked in various Colleges and Universities teaching her craft.

Now living on Love's Farm, Marilyn is exploring and experimenting with other art expressions and will have some of her recent twig collages on display. The exhibition launch evening is on Friday 8 June from 7:30pm – everyone is welcome and the bar will be open.
